EDWARD MINER GALLAUDET MEMORIAL LIBRARY
GALLAUDET COLLEGE
WASHINGTON, D. C.

VOL. VIII, No. 18
April 10, 1978

CONSTRUCTION AND PARKING PROBLEMS

Beginning on Monday, April 10, the road behind Dorm 4 and Clerc Hall will be closed. This road will become the staging area for construction of Dorm 5, and will remain closed for the duration of that construction.

The West Virginia Ave. entrance will remain open to campus traffic, but access to the HMB parking lot and the rest of the campus will be through the plaza parking garage road. A ramped walkway around the new construction will provide pedestrian access to KDES. If you have questions regarding this new construction contact the Planning Office.

AWARDS NIGHT CEREMONY PLANNED

The annual Gallaudet Awards Night ceremony will be held on Tuesday, April 25, at 7:00 p.m. in the College community. The purpose of Awards Night is to recognize and honor outstanding members of the College community. A brief reception for the awards recipients will be held in the Student Union Lounge following the conclusion of the ceremony. Everyone is invited to attend.

VISITORS TO KENDALL GREEN

On April 4, 1978 a group of eight visitors from the China International Travel Service (Luxingshe) Delegation from the People's Republic of China toured the LOOK OF SOUND, observed Shirley Stein's Public Speaking class and dined with members of the Gallaudet Community. The delegation members were very excited about their visit and expressed their feelings by learning several sentences in sign language and conversing with students throughout the day. One of the visitors said that it was easier to learn sign language than English. It is hoped that future tours can be arranged with the National Committee on United States-China Relations.

KDES GROUNDBREAKING CEREMONY

The Kendall Demonstration Elementary School's formal groundbreaking ceremony scheduled for April 19 will feature guest appearances from two Gallaudet College graduates, Linda Bove, who can be seen regularly on "Sesame Street", and the ever popular entertainer Bernard Bragg.

The ceremony, set to start at 10:00 a.m., is expected to draw local and national government officials, community representatives, parents, KDES alumni and professionals in the field of deafness.

The Little Theatre of the Deaf will also present a selection of Aesop's fables to be followed by audience improvisations. Additionally, a section of the U.S. Marine Band and a Marine Corps Color Guard will perform at the morning ceremony. Mayor Walter Washington has been asked to participate in the day's activities and is expected to proclaim April 19 "KDES Day" in Washington, D.C.

ENERGY CONSERVATION TIPS FROM JIM HULL

"Our electric power consumption has steadily increased over the same period last fiscal year. Please help get us back "on course" by checking the following reminders.

- 1. Do you turn out the lights when leaving the office or room?
- 2. Are your doors and windows closed when leaving for the day?
- 3. Is office equipment left running when not being used?
- 4. Do you really need that little "extra heat" from the portable electric heater?
- 5. Have you been reporting malfunctioning equipment, leaks, drafts and overheating to the Physical Plant?

Make conservation practices a personal habit - it helps us keep energy consumption down here as well as in your home."

POSITIONS AVAILABLE

SECRETARY I: A. Physical Plant
B. Dept. of Education

DIRECTOR OF PLANNING: Planning Office

OFFICE SUPERVISOR: Office of the President

PLACEMENT COUNSELOR: Counseling & Placement

SECRETARY II/MSSD: Clinical & Support Services
